

land use planning and would be in the public interest.

The patent, when issued, would be subject to the following terms, conditions, and reservations:

1. Provisions of the Recreation and Public Purposes Act and to all applicable regulations issued by the Secretary of the Interior.

2. A right-of-way for ditches and canals constructed under authority of the Act of August 30, 1980.

3. A mineral reservation of all minerals to the United States together with the right to prospect for, mine, and remove the minerals.

Detailed information concerning this action is available for review at the office of the Bureau of Land Management, Idaho Falls Field Office, 1405 Hollipark Drive, Idaho Falls, Idaho 83401.

The subject public lands were segregated from all appropriations, including location under the mining laws, except for leasing under the mineral leasing laws and leasing under the Recreation and Public Purposes Act (R&PP), on July 29, 1980. Upon publication of this notice in the **Federal Register**, the lands will be classified for conveyance under the R&PP Act and will continue to be segregated from the general mining laws as noted above. For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested persons may submit comments regarding the proposed conveyance or classification of the lands to Joe Kraayenbrink, Area Manager, Idaho Falls Field Office, at the address noted above.

Any adverse comments submitted as a result of this notice will be reviewed by the BLM Area Manager. In the absence of any adverse comments, the classification will become effective 60 days from the date of publication of this notice in the **Federal Register**.

Dated: July 1, 1999.

Joe Kraayenbrink,
Area Manager.
